

Fibromyalgia and Vitälzým Testimonials

FIBROMYALGIA

Good golly Dr. Wong, thank you again. I have more faith in Dr. Wong than in the last 2 Doctors I've seen, so I'm really appreciating your help.

I'm going to tell Brian, the owner of Health 101 in Waldport, OR and who turned me on to Vitälzým, how wonderful you are and how great Vitälzým is ... I'm sure you'll be getting many, many more orders as there are many FMS sufferers in this area.

-- Toni M, Waldport, OR

I had Fibromyalgia and was tired all the time. I was in constant pain. Vitälzým helped me with muscle ache and gave me more energy. Vitälzým also lowered my cholesterol level from 278 to 164.

I've had Fibromyalgia for 17 years, all over my body - even throughout the muscles in my feet. After 4 days of taking Vitälzým, I have 75% less soreness, 50% less stiffness and MOST of my pain is gone. I used to take a steaming hot shower in the morning to reduce muscle spasms, and then follow it with a cold shower to reduce inflammation. I would do this throughout the day. I no longer have to do this! These results are from only 3 capsules, 3 times a day. I'm going to get my husband, who is diabetic and has had back surgery on Vitälzým right away. In addition, I will refer Vitälzým to my Acupuncturist.
